Work Experience

Instructor – Real Programming 4 Kids (Oct. 2018 – Feb. 2019)

At RP4k I taught math & programming to students between grade 2 and grade 10. I was able to help students understand concepts from linear algebra and beyond, and we applied those concepts to the fun and creative task of making games.

While instructing at RP4K, I taught the following courses:

1. Pizza Bandit, a course making a game similar to Pac-Man using Visual Basic.
2. Asteroids, a course making the classic arcade game in Java.
3. Sharp Shooter, a top-down shooter made with C#

Game Programming Intern – Big Blue Bubble (May 2016 – Sept. 2017)

At Big Blue Bubble I developed mobile games and saw the full process of development from concept to release. I wrote code in Java, C++, C#, and Objective-C. I worked with Visual Studio, SVN, Unity, Jira, Bamboo, and Confluence.

During my internship I contributed to the following mobile games and applications:

- [My Singing Monsters](#)
- [My Singing Monsters: Official Guide](#)
- [Home Arcade](#)
- [Concert Kings](#)

Website Design & Development – SOS Great Lakes (November 2019 – Present)

- Currently managing, improving, and updating the website for SOS Great Lakes
- Fixed major issues and made significant accessibility improvements

Resource Team – Canterbury Hills Camp (Summer 2019)

- Oversaw the daily operations of the camp
- Interviewed, hired, trained, and evaluated camp staff.
- Was an all-encompassing resource for staff and campers

Landscaping Technician – Cassel Care Lawn Services (Summer 2014, Summer 2015)

- Provide lawn care and landscaping services throughout Brantford and Brant County
- Drove a truck with attached trailer for heavy equipment to client locations
